

## Proper Disposal of worn US Flags

There are several options available for the proper disposal of your American and MIA/POW flags.

The American Legion, Veterans of Foreign Wars, Boy and Girl Scouts of America and the US Military all provide this service. If you don't have access to any of these organizations, contact your city hall or local government.

The last option would be to mail your flag (any box with G-10 Postage would be fine) to the following address:

USA Flag Supply  
Flag Retirement Program  
140 Mill Street  
Coopersville, MI 49404
